the online collaborative map has been viewed **11,900+** times...

39% of the comments/ideas mentioned greening

major greening topics included...

64% trees

62% plantings

20% green medians

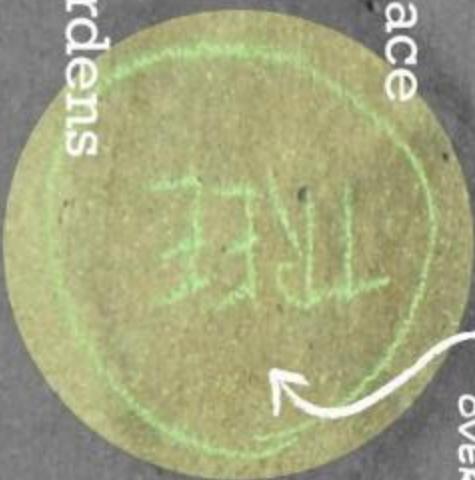

18% new park space

13% dough boy

7% community gardens

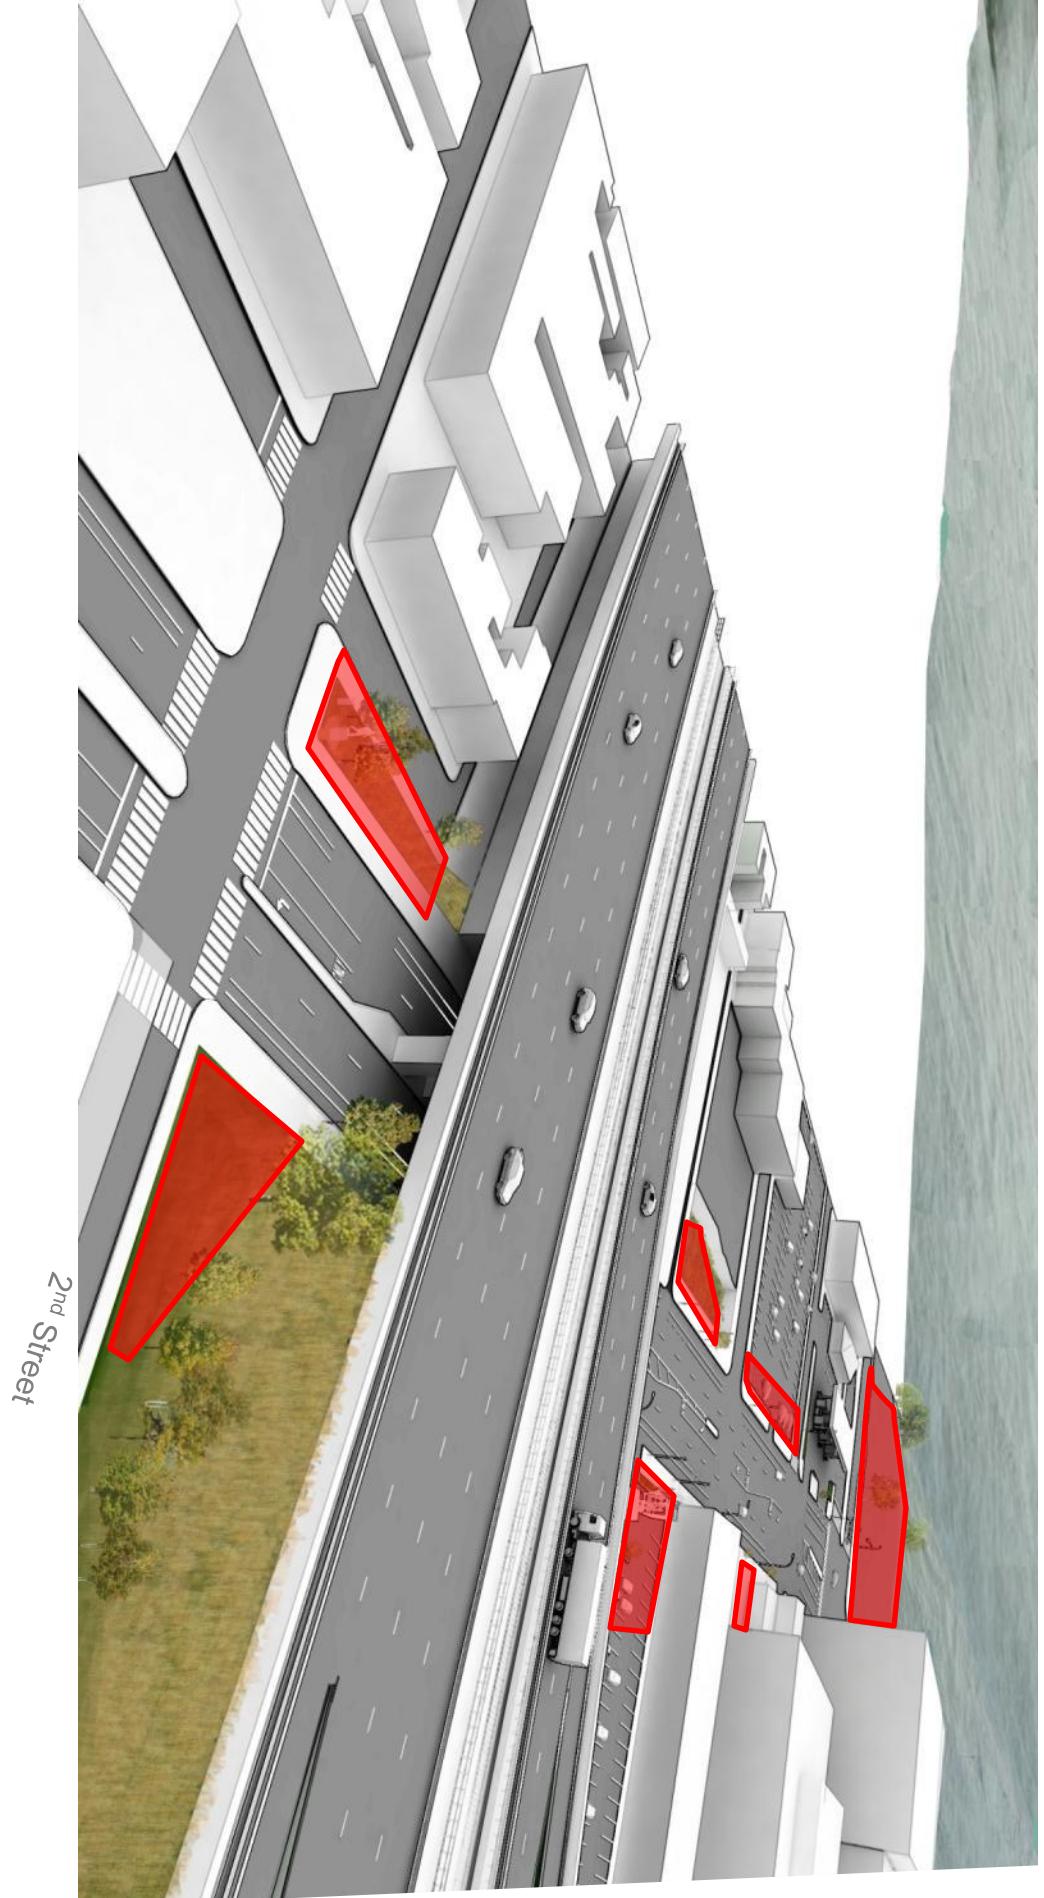

ONE IN FOUR
OF THE IDEAS & COMMENTS
OVERALL MENTIONED TREES!

Spring Garden Greenway

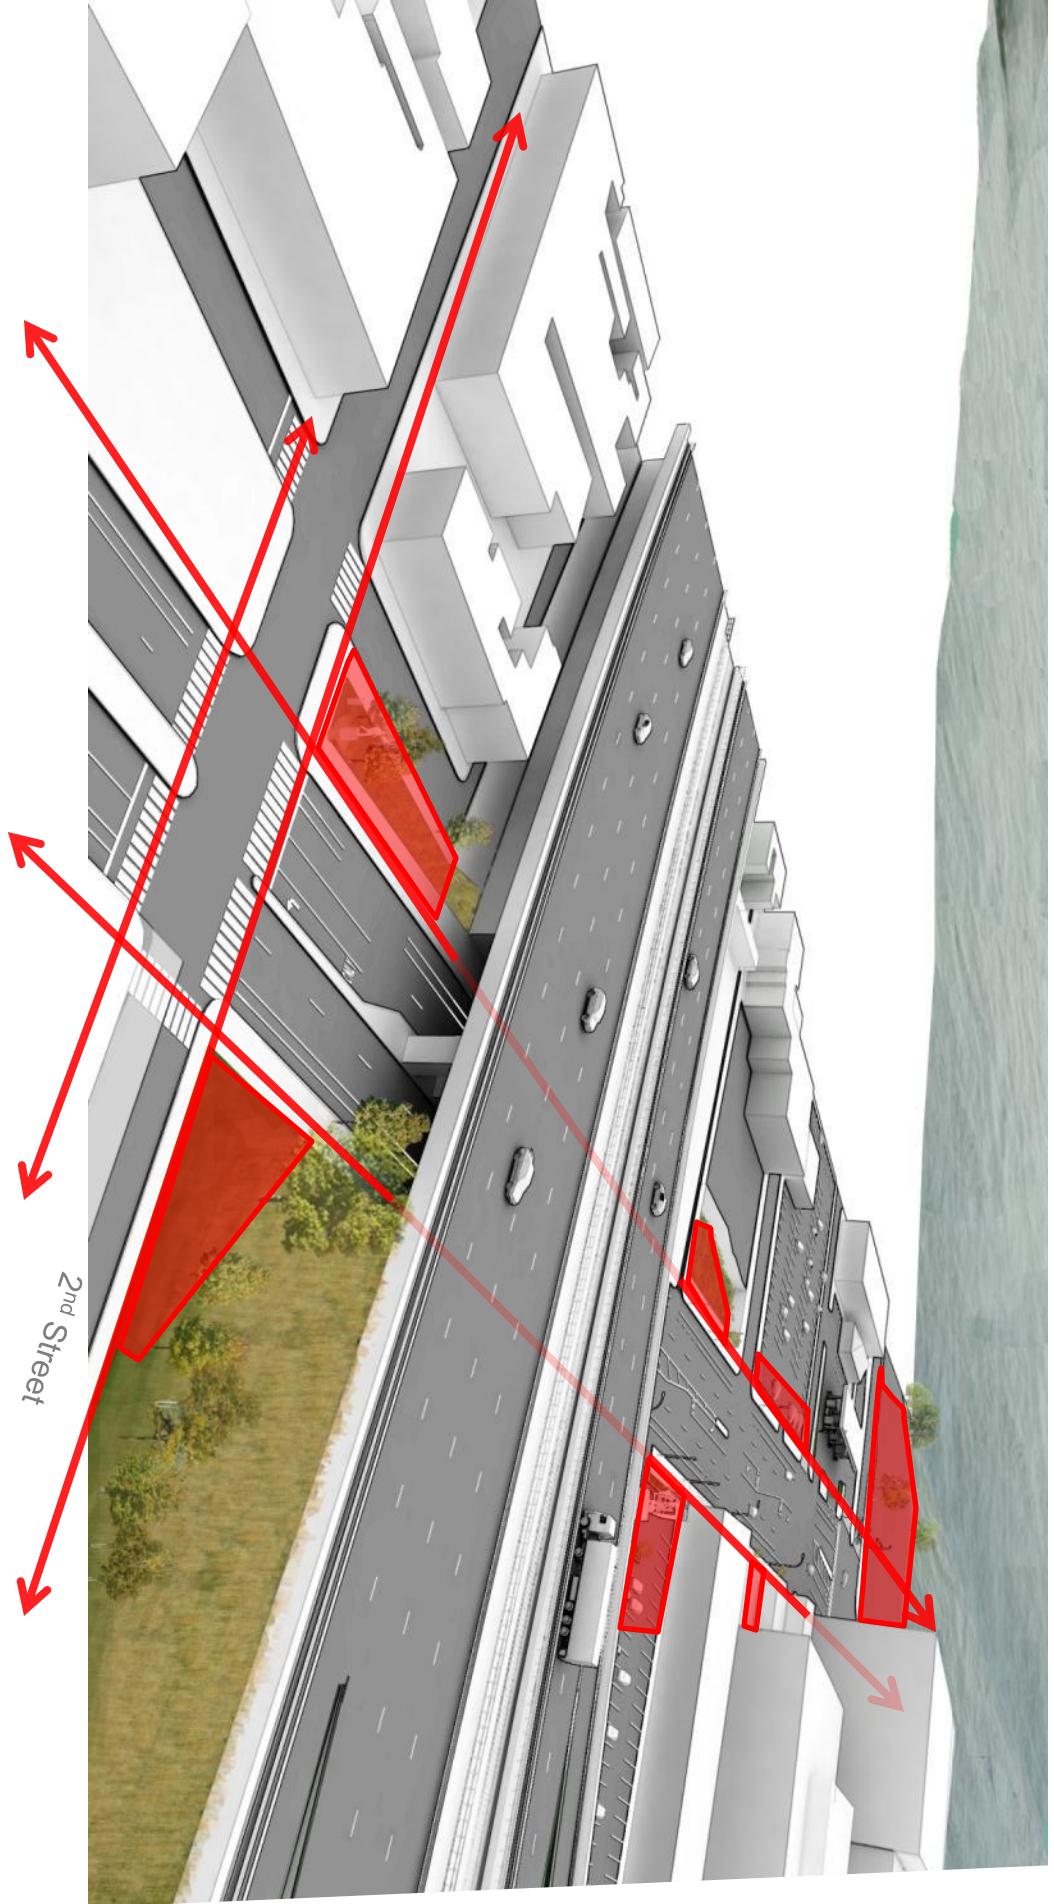

Community Vision

1. Provide an inspiring connection between Northern Liberties and the Waterfront.
2. Create a “Linear Park”, with an emphasis on walking and bicycling.
3. Treat the streetscape as natural system
4. Bring Northern Liberties’ personality and attitude to its front door

A Series of Open Space Nodes...

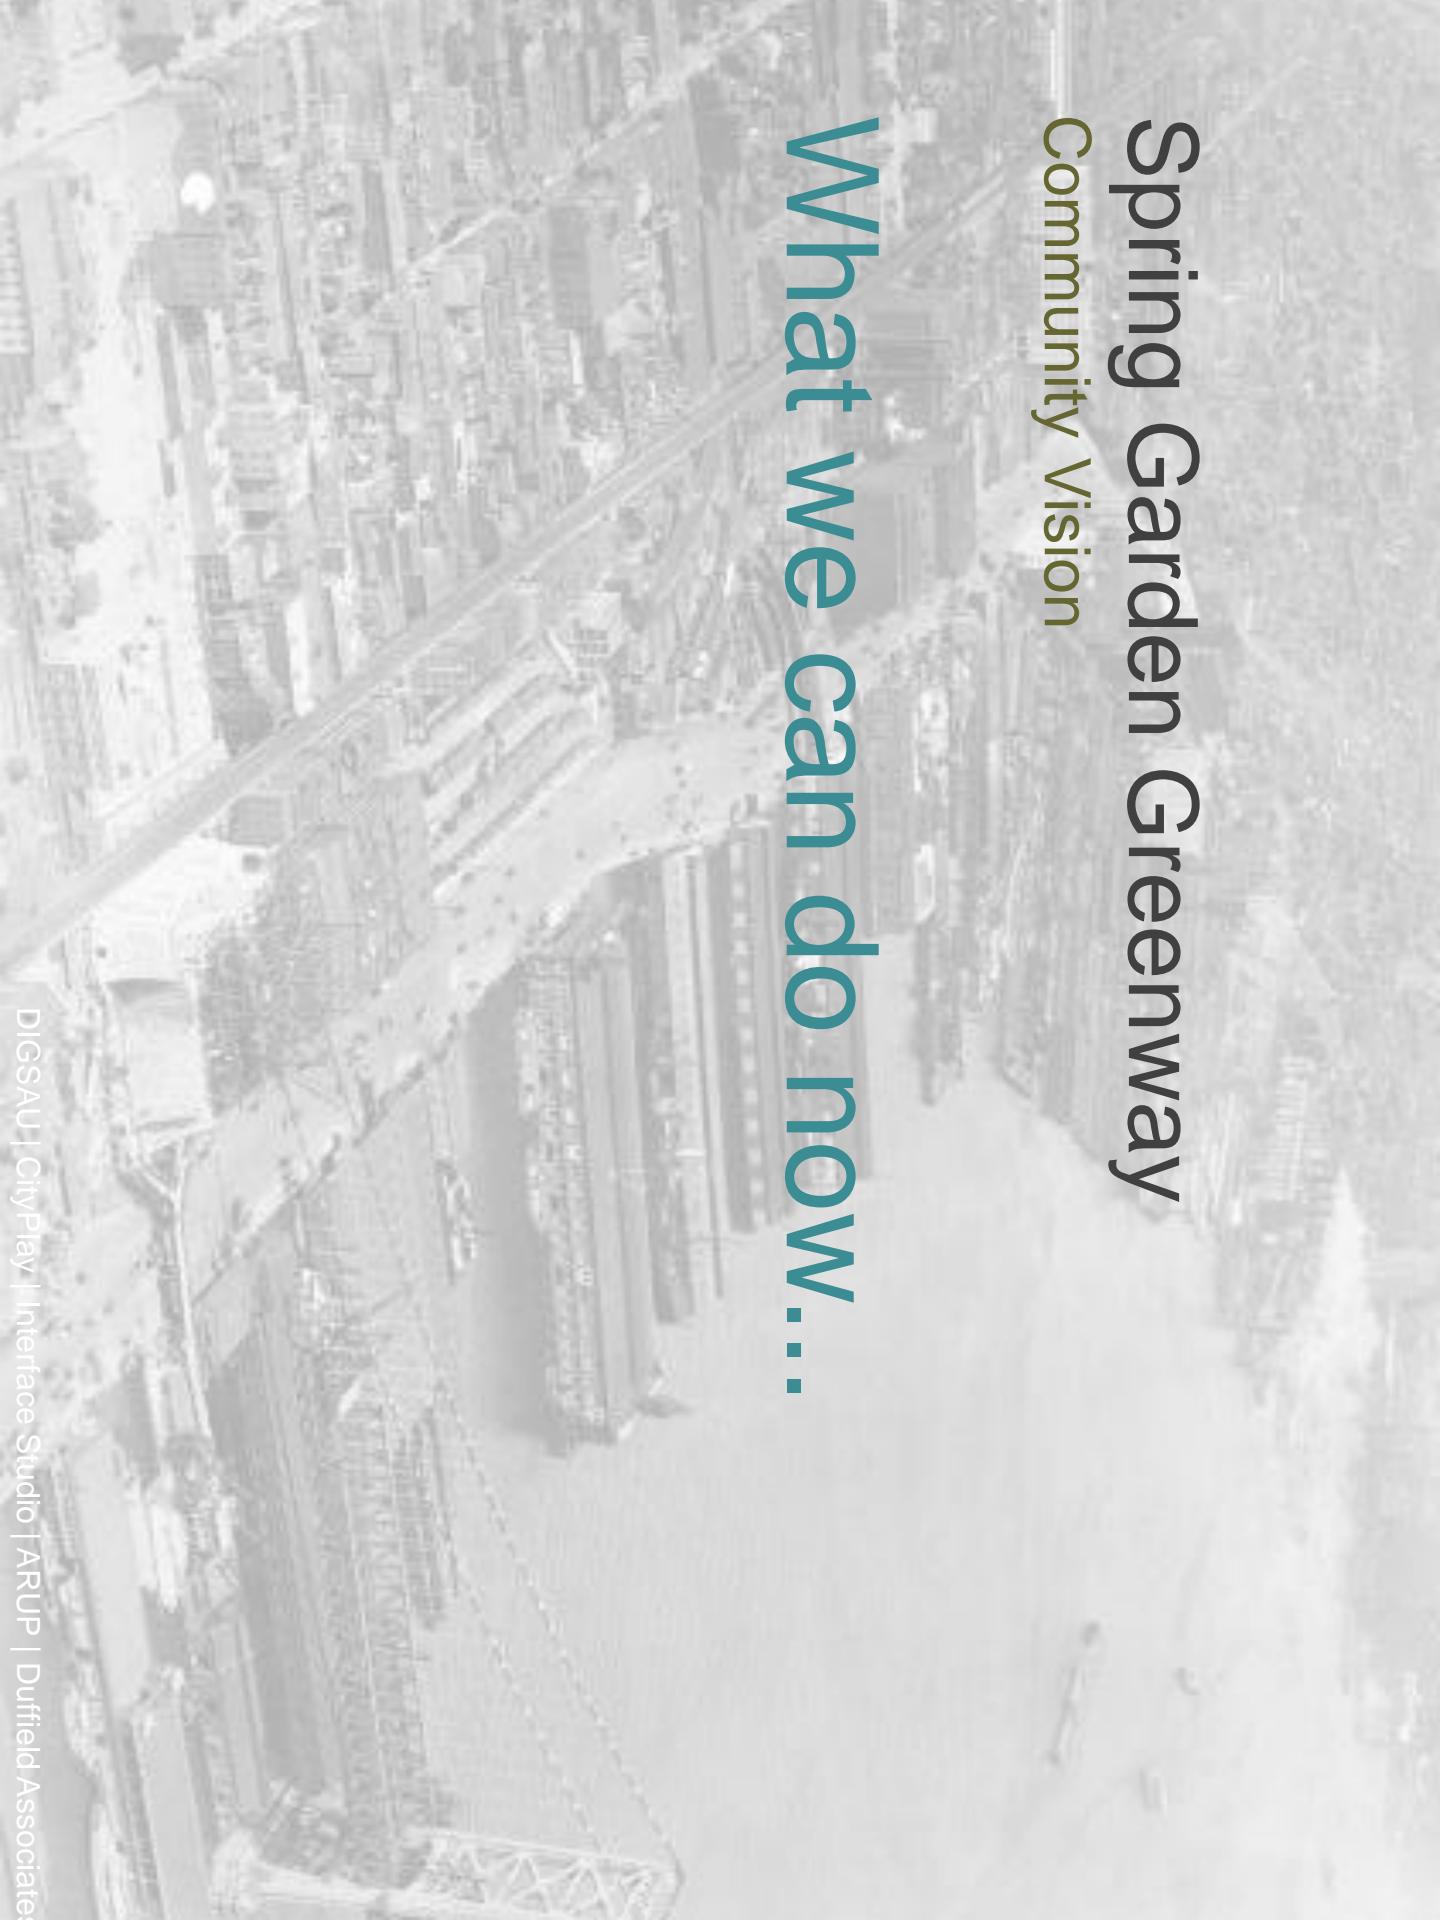

...Connected by a System of Greenwalks

Bring Northern Liberties Back to the River...

The background of the slide is a grayscale aerial photograph of a city, showing a complex network of roads, buildings, and industrial structures.

Spring Garden Greenway

Community Vision

What we can do now...

Use tree trenches to form a **green network**, connecting open spaces, flowing down to the River.

proposed plan: the sunken garden

Proposed the sunken garden

CANOPY TREES

VEGETATION

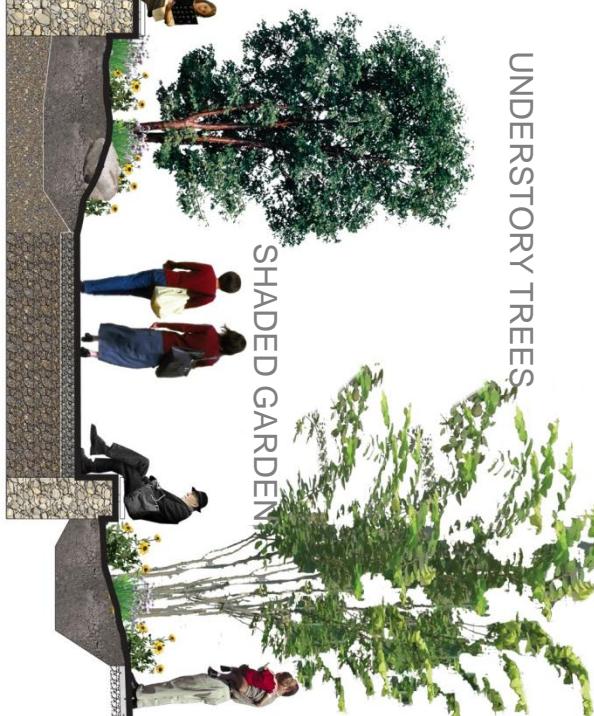

GRAVEL WALK

GABION BENCHES

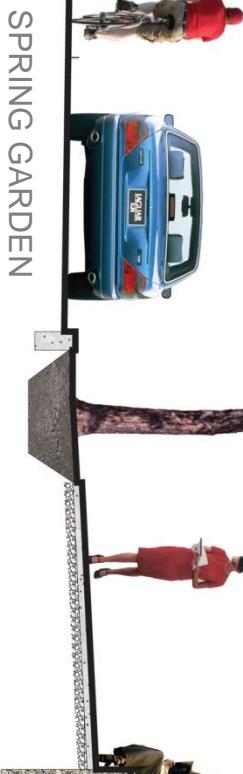

UNDERSTORY TREES

SHADED GARDEN
